YUKON WOMEN IN MINING

FOLLOWING THE SUCCESS OF ITS YUKON MINING DAYS EVENTS LAST MAY in Watson Lake and Ross River, Yukon Women in Mining (YukonWIM) has headed down the highway once again to host like events up the North Klondike Highway and Silver Trail.

The Victoria Gold team is pleased to be a key sponsor again of YukonWIM and Yukon Mining Days, which in partnership with Invest Yukon and the Yukon Mining Alliance, was held in Mayo on September 24 and will take place in Carmacks on September 30.

Events explore how mining is a part of Yukoners' daily lives and share information about current regional projects, training and careers and community, business and investment opportunities.

"Yukon Women in Mining works with the territory's mineral exploration and development industry to facilitate and increase the attraction, retention and advancement of women to, and in, this key economic sector," says Anne Turner, YukonWIM Founder and President. "In promoting all the dynamic and rewarding careers that exist for women throughout the industry, we are proud of our work to help meet the Yukon's labour market needs."

Victoria Gold has been an enthusiastic champion and contributor to YukonWIM since the not-for-profit organization was established in 2012 and continues to support and advocate for local women in the industry.
