

## TEAM WORK

ACE NORMAN | ALEX DAVIS | BRITTNEY BROOKER | JIM KOPONEN | SHAYNE DESJARLAIS

ONE YEAR HAS NOW PASSED SINCE VICTORIA GOLD DELIVERED THE FIRST ORE for processing at the Eagle Gold Mine and the company's team continues to grow and strengthen as the mine ramps up to full operations later this year.

Equipment Operator **Ace Norman** started with Victoria at the mine one month prior in June 2019. Just one of the company's many Yukoners At Work, he enjoys the variety and constant learning his position provides him. "I'm a born and raised Yukoner," says Ace. "I always feel at home in the mountains and love my surroundings at site."

Carpenter **Alex Davis**, who provides site with building maintenance and repairs, has been part of the Victoria team since March 2019. "The people at the Eagle Gold Mine are great to work with," he says. "Each and every day presents new tasks and I really enjoy always learning something new."

Yukoner **Brittney Brooker** is a Site Services Administrative Assistant. "Working in this department, I schedule the crew, order parts and inventory and maintain all the department's files," says Brittney. "I have worked on site for over two years now and love seeing the vast changes the Eagle Gold Mine has undergone. It gives me a sense of pride to contribute to something so much bigger than myself and working alongside so many amazing co-workers is the cherry on top."

**Jim Koponen** also works for the Site Services department and in his role, is responsible for camp, site and road maintenance and contractor and mine operations support. "The best thing about my job is the team I work with and the surroundings I work in," says Jim, who has been with Victoria at the mine since January 2019.

In his role as a Network and Server Coordinator, **Shayne Desjarlais** helps the team at site communicate with friends and family Outside and enjoys knowing the employees can successfully video chat or call their children, while away from home. "They may not know what it takes to keep everything running smoothly, but it puts a smile on my face every time the system works for them to stay connected to loved ones," says Shayne.

Although COVID-19 health and safety precautions did not allow for Victoria's traditional Canada Day BBQ in Mayo this year, the entire team wishes all Yukoners a very safe, healthy and happy summer and looks forward to celebrating with the community when the situation permits.
