

MINE UPDATE

EAGLE GOLD MINE MEDALLIONS

On September 17, 2019, Victoria Gold's Eagle Gold Mine celebrated its first gold pour and now, on February 1, the Company is launching the sale of one-ounce 99.99% gold and one-ounce 99.99% silver medallions to commemorate the journey of the mine from discovery through to production.

"The Eagle Gold Mine is leading the Yukon's New Gold Rush," says Victoria Gold President and CEO John McConnell. "The Company is very excited to offer our newly-minted gold and silver medallions to those who would like to own their piece of the largest gold mine in our territory's history."

The gold and silver medallions will be available for purchase online commencing February 1 at vgcx.com.

The one-ounce gold medallions are presented in a commemorative package, which features photos of the Eagle Gold Mine and celebrates Victoria Gold's valued relationship with the First Nation of Na-Cho Nyak Dun (FNNND); within whose traditional territory the mine is located.

The First Nation is also featured on the gold medallion highlighting Victoria Gold's commitment to balancing responsible development and the mine's opportunities with FNNND's traditional, cultural and environmental values.

"We hope that Yukoners are as proud of the opportunities and benefits the Eagle Gold Mine provides to the territory as we are and enjoys how these medallions represent both our rich past and our promising future," adds McConnell.

Limited stock of the gold and silver medallions is available. For more information and to purchase, please visit vgcx.com
