CBA COMMITTEE ANNUAL IMPLEMENTATION REPORT COVER ARTIST

VITGOLDCORP.COM

FOR THE PAST FIVE YEARS, THE WORK OF A FIRST NATION OF NA-CHO NYAK DUN (NND) citizen and artist has graced the cover of the Victoria Gold-NND *Comprehensive Cooperation and Benefits Agreement (CBA) Committee Annual Implementation Report*.

As part of the CBA, signed by the company and the First Nation in 2011, this report highlights the activities and commitments accomplished each year to fulfil the spirit and intent of this important and ground-breaking agreement to ensure the NND and its citizens benefit from Victoria's Eagle Gold Mine throughout its mine life.

Presenting unique NND artwork each year, not only makes for a stunning report cover; it also influences and anchors the document's graphic design throughout.

This year's selected artist is NND citizen and Village of Mayo resident **Dorothy Profeit**.

A self-taught sewer, Dorothy learnt to design Mother Hubbard parkas through her work at Yukon Native Products over nine years. She has now been sewing for more than three decades and teaches parka-making workshops at Yukon College's Mayo campus and in Dawson City.

"I love making parkas because of the smiles I get when little kids first put them on," says Dorothy.

Dorothy is proud to pass down her knowledge to younger generations. From fur ruffs and parkas to First Nations graduation fashion, if she can make it she will teach it.

Previous Victoria Gold-NND *CBA Committee Annual Implementation Report* cover artists include Dawna Hope, Garry Brown, Nancy Hager and Florence Moses.
